AFFORDABLE HOUSING

In 2014, Rushcliffe Borough Council, against its wishes, was told by the government to provide 13,150 new homes by 2028, and this is proving to be a huge challenge. There's a need for "affordable housing" and although the borough council has a better record than many, it's not complacent, and strives for 30% of affordable homes on new developments.

The Hollygate housing development is a success, and the new 15 commercial units built by the borough council have provided some more local employment opportunities. Although most of the new homes are allocated to the large strategic housing sites such as the former RAF Newton, the Local Plan Part 2 proposes several developments at other villages including Cotgrave. Your three selected Conservative candidates would work hard to get good quality homes in the right location for Cotgrave and ensure that infrastructure will be carefully planned.

COTGRAVE'S NEW HUB IS OPEN

The Conservative controlled borough council met another milestone in its rejuvenation strategy for Cotgrave with the recent opening of "The Hub".

Following on from the new housing development at Hollygate Park and the construction of 15 new commercial units, Rushcliffe Borough Council has reached another milestone with its Cotgrave rejuvenation plan. The Hub has a new library, health centre, police station, and borough council contact point, adjacent to refurbished shops and new offices. This major project which has been led by the borough council working with its County council, health and Police partners, has transformed the centre of Cotgrave.

HELPING LOCAL COMMUNITY GROUPS

Borough and county councillors have access to small community grants to help local projects. Recently your local Conservative councillors have made grants to local athletes, community groups and sports teams, including Cotgrave FC, the WI, our local schools for various projects, and the highly successful Cotgrave Festival. If you are involved with community groups that need some support, please get in touch with us. Visit www.cotgraveconservatives.co.uk or telephone (0115) 948 4533.
